INFORMATION

NAME BADGES

Name badges will be given to attendees at the registration desk along with your conference bags. Please ensure you wear your name badge throughout the entire conference. This badge is your access pass to all workshop rooms, luncheons, and the exhibit hall! You will not be admitted to any space without it.

PWDA MEMBERS ONLY LOUNGE

PWDA members who are registered for the conference will be able to enter the lounge in Wild Rose A to relax, network, have a one-on-one meeting, play games, and more. Members may sign in **one** guest (non-member attendee) per day and will receive an additional door prize ticket for doing so!

COVID-19 POLICIES

We ask that all of our attendees adhere to Pennsylvania's Health and Safety protocols, as well as the Hershey Lodge's protocols regarding COVID-19. We want all of our guests to feel safe, so please respect all others and their boundaries during this uncertain time.

DOOR PRIZES

PWDA has partnered with local organizations and businesses to provide door prizes for our attendees! You will receive tickets upon your arrival at registration, and you can also earn tickets by talking to exhibitors and following our social media pages for extra chances to receive tickets. Door prize tickets must be taken to PWDA's booth in the exhibit hall for your chance to win. Winners will be listed at the booth as their names are drawn and notified via email at the close of the conference.

SOCIAL MEDIA

Follow us on social media! We'll be posting throughout the conference and even giving away chances to win additional door prize tickets.
